

MEET THE TEAM

Jon Lane

Jon was born and raised in Jefferson Iowa. His dad always made breakfast on the weekends and Jon would help him make pancakes. That is where he remembers his love of food starting, his brother would argue that it came from a video game that he used to play but Jon knows that his passion from food started much earlier then that! Jon graduated with an associates degree in 2016 in Culinary arts and started at Journey Senior Living Community and was there until he came to work here with us!

Favorite food memory?

“My sister would always say hands up at dinner we would always raise our hands up and whenever we did, we would spill our milk, this was long before sippy cups. One night my dad said, “Can we please go one night without spilling milk?” and my sister said, “HANDS UP” and all the milk spilled again!

TODAY, I RECOMMEND

Jon's French Cream
Cheesecake with Sugar
Cookie (Short Dough)
Crust with Raspberry
Chambord Sauce
